# Manulife Global Dynamic Leaders Equity Feeder Fund

The Fund is an equity feeder UITF that aims to maximize total return by investing its assets in a collective investment scheme (CIS), the Target Fund. The Target Fund aims to achieve capital growth by investing at least 80% of its net assets in a concentrated portfolio of equity and equity related securities of large capitalization companies listed globally.

## Why this Fund?

Global companies with industry-leading positions have strong potential to generate long term capital growth. They have durable competitive advantage and powerful brands that set them apart from the rest. Supported by global resources, our team of investment experts carefully seek out these companies using a research-driven global equity selection process.

### **Access to an elite selection of global companies with powerful brands**

The Fund invests in a focused portfolio of the world's most well-known brands with solid financial foundations and impressive earnings growth.

### **Carefully selected portfolio of high-quality global leaders**

From thousands of companies listed in the US, Europe, UK, and Asia, our globally integrated team of investment experts identify companies that have sustainable competitive advantage through a research-driven global equity selection process.

### **Diversified global equity strategy**

The Fund has a diverse exposure to multiple sectors around the world such as technology, retail and healthcare, which helps manage risks and lowers volatility.
